

# Policy & Practice

## A Development Education Review

### An exciting new Journal from the Centre for Global Education!

Each issue addresses topics central to development education policy-making and practice with a view to increasing active engagement with development issues at home and overseas.

Regular features will include:

- In-depth thematic articles
- Contributions on topical policy and practice issues
- A Viewpoint debate section
- Resource reviews
- Case studies and examples of good practice
- An International line-up of contributors from Ireland, the UK, Europe and the global South
